37th Annual Wisconsin Badger Chapter CMAA Invitational Golf Outing

What it is...

The Wisconsin Badger Chapter Foundation was developed to carry out the mission of raising monies for charities, education, and scholarships. The purpose of our event is to bring together Board of Directors, Golf Professionals, Golf Course Superintendents, Club Managers, and Vendor Partners for golf, hospitality, and charity.

Proceeds from this event help fund the following:

- Camp Hope. Camp Hope provides counseling and support for young people that are dealing with the loss of a loved one.
- The Host Club's charity of choice. Funding ARCh in 2010. The Foundation was proud to have donated \$2,500 to previous host clubs charity of choice such as the Susan G. Komen Foundation and Easter Seals of Wisconsin.
- The Wisconsin Badger Chapter Scholarship Fund, which provides financial assistance for deserving college and university students. In 2009 the Foundation distributed more than \$6,500 in scholarship assistance.
- Continuing education programs and scholarships for chapter members. In 2009 the Foundation granted \$2,000 in Club Manager scholarships and supported the local Chapter general education plan with more than \$30,000 to assist in covering the cost of speaker/educator fees.
